Brandon All-Stars Jax

Brandon All-stars is recognized as a diverse community aiming to build strong athletes, unshakable bonds and teamwork. With the purpose of striving for excellence, accountability and growth, our goal is to provide a space for athletes to prosper and create an environment that leaves a mark on all those that join our gym.

2024-2025 EVALUATION INFORMATION

Our mission at Brandon All-stars is to teach respect for one another and promote physical fitness and the art of cheerleading. We feel that cheer is more than just a sport. It creates long-lasting friendships and teaches kids valuable lessons in teamwork and sportsmanship. While the banners and trophies are great, our goal at Brandon All-stars is to help mold our athletes into amazing members of society as they progress through our program and into their future endeavors.

Our goal is to make the evaluation process as stress free as possible for our cheerleaders. Regardless of their age or experience level, we will make sure they are evaluated properly and placed on the appropriate team for the upcoming season.

We look forward to another great season at Brandon All-stars!

Evaluations will consist of tumbling, jumps, and tryout dance. The tryout dance will be emailed on May 17th for regular tryouts, two days prior for private tryouts, and by request for video tryouts. **If you prefer to learn the tryout dance in person, it will be taught at both tryout clinics. Previous season stunting abilities (flying, basing and back spotting) will be taken into consideration.** Only athletes and coaches will be permitted to enter the gym during evaluations. No exceptions.

EVALUATION DATES: MAY 20TH- May 22ND

This is just a list of available divisions. Just because a division is listed above does not mean Brandon All-Stars will have a team in that division during the 2024-2025 season.

Team Creation Details: What is the best fit for my athlete?

We are often asked what teams we will have for the upcoming season. We cannot answer that question until evaluations are complete. Teams are created based on the athletes that come to evaluations and what teams will be the most competitive for the upcoming season.

Some athletes gain individual skills at a rapid pace, but we still believe in PROPER team leveling and progression as a whole. For many years, it has been thought that an “older” team (Senior versus Junior or Junior versus Youth) was somehow better. At our gym, these teams are all leveled the same and many times allows us to place athletes within the same age group together on a team.

By grouping athletes by age, we are able to better ensure their emotional and social growth. We understand that sometimes younger athletes are placed on older teams due to stunt position, but we try to limit that as much as possible. Having your child on a team where they are on the high end of the age range allows them to compete the skills necessary for that level AND really establish leadership qualities that are helpful in so many areas of life. Many times, parents want their children on the next level or in the next age bracket because they don't see the benefits of the age-appropriate team.

As children's abilities increase, we feel that having them on teams where they can increase the consistency of their tumbling and stunting ability allows them to better achieve positive mental growth.

Allowing children to be on teams where they can participate in all areas of the score sheet (even though they may have higher tumbling abilities) allows them to become much more well-rounded athletes in the future. Throughout their years in the sport, they will become more well-adjusted athletes who are comfortable in their abilities, exude confidence and are able to be competitive on any team they are placed on.

We want to build well-rounded individuals. We strongly believe in our program, our staff and all of our athletes. The more supportive you are of your athletes and encouraging them to be amazing on the teams they are placed on, the more they will gain from their entire All-star Cheer experience.

- Every Brandon team will be set up for success this season.
- It takes 2-3 years to master a Cheer Level. Celebrate whatever team/level your child makes.
- If your child is Tiny age, they will likely end up on a Tiny team. If your child is Mini age, they will likely end up on a Mini team. Etc.
- Even if your child ends up on the same team and/or level they were on last year, they will have a completely new and different experience.
- Do not compare your child to other children. Every child is unique and will bring a unique skill set to whatever team they are placed on.

Team Placement Details: What are we looking for?

In our program we field teams based on proficiency of level. We are looking for well-rounded athletes that can contribute throughout a routine at their respective level. Below is a synopsis of the scoresheet we compete on which will help you better understand what we will be looking for during evaluations. Also, please see our Tumbling and Stunt Level Guidelines at the end.

The scoresheet is broken up into over a dozen difficulty categories and seven technique categories. Below are the categories that are most important in picking a team.

Stunts & Pyramids

For stunts and pyramid, there is a score for difficulty, and a score for technique. The stunts must be difficult, fast paced, creative, and technically sound to obtain all points.

Tumbling

The next two major categories are standing tumbling and running tumbling. Judges are looking for difficult tumbling for given level that is performed with near perfect execution by large groups of people.

Tumbling is physically and mentally challenging and can be dangerous if executed improperly. Tumbling technique is one of the most harshly judged elements on the scoresheet, and for good reason, the safety of our athletes depends on it. This means we will be looking for tumbling that is performed with a high level of perfection for each level.

Max Participation, Tosses, and Jumps

Max Participation, Tosses and Jumps are all max categories, meaning the entire difficulty score comes solely from doing the correct number of skills. Jumps and Tosses however have subcategories for technique. This means tosses must be thrown high, in great synchronization, with top girls executing a skill with near perfect technique. Jumps ideally should be synchronized, hyper extended, maintain good toe point, and hit correct arm placement throughout.

Any deviations in technique will result in technical deductions.

Dance, Routine Creativity, and Showmanship

Dance, Routine Creativity, and Showmanship make up a smaller percentage of the scoresheet, but every tenth counts. The dance and routine creativity scores are largely based on choreography, and it takes a certain level of skill and experience to perform choreography correctly. Judges will be looking for precise, hard hitting and exciting movements from athletes. The expression of personality, and level of confidence from an athlete will also play into the showmanship score. Judges are looking for an above average level of excitement and enthusiasm from each athlete.

The scoresheet is intricate, subjective, and can be a bit of a moving target from event to event, but if teams are built with athletes who contain a comprehensive understanding of their given level, we can create routines that speak to the overall scoresheet more consistently. In turn, by matching kids more closely with their peers of the same skill level, we will build a more competitive atmosphere amongst athletes in the gym and drive progression more naturally each season. We are excited about our upcoming season and thrilled at the opportunity to work together with your family!

Team Practice Schedule

All prep and elite teams practice two days a week; usually Monday/Wednesday or Tuesday/Thursday. Elite teams will add every other Sunday once school starts. Novice teams practice once a week. ***NEW* All teams will have a mandatory team tumbling class before or after their practice once a week. This class will be included in your all-star fees.** Attendance is very important to the success of our teams. Additional and/or extended practices may be added sometimes throughout the season, and those practices are mandatory.

Team Placement Re-evaluation

Skill maintenance is a requirement, not an option. Skills displayed at initial evaluations are expected to be maintained throughout the season. The first few months of the season are used to evaluate how every team fits together. Athletes may still be moved around between teams during those months.

Cross-Competitor Option

If you want your athlete to be considered for a cross-competitor position (competing on 2 different teams in 1 season), please answer circle yes on the Evaluation Form. Crossover competition fees would need to be paid. Answering yes does not guarantee placement on two teams. Athletes are first and foremost a rostered member of their primary team. Athletes must attend all practices of both their primary and secondary team. It is at the discretion of coaches/staff to discontinue having an athlete crossover at any time.

Brandon All-stars Program Costs

We understand that All-star Cheer is an expensive sport. We give all of our pricing upfront, so you know what the financial commitment is before you sign your child up. Out of house fundraising opportunities are available through Boosters (jaxboosters@brandonallstars.com).

In the past, we have had many athletes pay off their accounts COMPLETELY through fundraising. Whether you are paying out of pocket or through fundraising, we expect all fees to be paid on time based on our payment schedule.

We are one of the top competitive cheer gyms in the country, so our Travel teams will attend a number of out-of-town competitions. Our prices include everything except travel costs. Cheerleaders travel with their parents to these competitions and stay in hotel rooms with their parents

FINANCIAL STABILITY CLAUSE

You **MUST** have a valid credit card or checking account on file at all times in order for your child to participate. Monthly tuition will be billed AND charged to the card on file on the 25th of the month prior to which it relates.

For example, June tuition will be due on May 25th. Any tuition charges still outstanding on the 1st will be considered late and will be assessed a \$15 late fee ON the 1st. Your child will be unable to return to practice until the tuition and late fees are paid.

Available Discounts: Only ONE discount can be applied.	
Full Payment Discount	10% discount off the total tuition and fees if paid in full by the first day of practice
	Details: Full payments will need to be made in person to receive the discount and must be paid using cash or check only (credit card payments will not receive the discount).
Multi-child Discount	25% per month tuition discount for each additional child in a family (applies to 2nd, 3rd etc.)
	Details: The multi-child discount is automatic and will be applied to your account each month. The discount is applied to the child with the lower tuition.
Multi-team Discount	Free tuition for each additional team
	Details: You will be required to pay for the skills camp and crossover fees for each additional team. These will be provided once the fees are provided by the competition vendors but usually run around 75% of the standard competition fees.
Military Discount	10% per month tuition discount
	Details: You will be required to show a valid military ID
2023-2024 Athlete of the Year	100% off tuition
	Details: This will be added to your athlete's account as a credit after team placements are announced.

Video Evaluations

Complete video evaluations are available by request for those that cannot attend in-person evaluations. Please follow the video evaluation guidelines below.

All videos must be submitted by Monday, May 19th!

Video Evaluation Guidelines

Please submit a compilation video of your athlete's skill set.

Tumbling:

Include 2 of their highest standing and running tumbling passes.

Only attempt skills your athlete can perform safely.

Stunts:

Include close up videos of a variety of stunt transitions, spinning, release moves and inversions. If your athlete is a flyer, please include level appropriate tosses.

Only attempt skills your athlete can perform safely.

Jumps:

Include a variety of jumps, and a combo jump (2 or more consecutive jumps).

Email videos to gabby@brandonallstars.com

In the subject line of your email, please type your athlete's name and the words "Video Evaluation"

(First Name and Last Name / Video Evaluation)

The body of your email should contain:

Your athlete's stunt position. A

link to your video.

A head shot of your athlete.

The height and weight of your athlete.

[2024-2025 Schedule](#)

The 2024-2025 Schedule is on the link above. Each month is on a separate tab at the bottom of the spreadsheet. It is best to BOOKMARK the link above and download the google sheets app to your mobile device for easy access. This SAME LINK will be used ALL SEASON. If you are accessing the schedule from your mobile device, you may have to zoom out or rotate your phone to see the full screen.

We follow the Duval County School Calendar. Athletes are expected to attend all practices and competitions even if their breaks do not align with the Duval County School Calendar.

Please note the following when navigating the spreadsheet:

Team Practice Schedule

- Teams' Regular Practice Schedules will be uploaded directly to the spreadsheet after evaluations.
- As stated on page 6, additional and/or extended practices will be added throughout the season. Those practices are mandatory.
- Any changes to the regular practice schedule will be communicated via band and updated on the spreadsheet in advance.
- We do allow absences over the summer (except for BA Camp and Routine Blocking); however, absences need to be emailed at least 48 hours ahead of practice.
- All practices starting August 12th are mandatory for all athletes unless there is an excused absence. Excused absences include funerals, weddings, school activities that are a GRADE and cannot be made up (documentation will need to be provided by the school), and football school cheer game approved by coaches. Injuries are not approved absences. If an athlete is injured, he/she is still required to attend the practice to support even if he/she cannot participate. Illness will be handled on a case-by-case basis. School breaks that are not on our calendar are not approved and will be considered an unexcused absence.
- All absences need to be emailed to attendancejax@brandonallstars.com at least 48 hours in advance. If you are running late to an activity, email attendancejax@brandonallstars.com as soon as possible. Any absences and tardiness not emailed within these guidelines will count as an unexcused absence even if you message a team mom or team member, post it band, email a staff member, etc.
- 1st Unexcused Absence – Warning
- 2nd Unexcused Absence – Conditioning AFTER practice
- 3rd Unexcused Absence - \$25 fee billed to card saved on Amilia account
- 4th Unexcused Absence - \$50 fee billed to card saved on Amilia account
- 5th Unexcused Absence – \$75 fee billed to card saved on Amilia account and potential removal from routine sections or team as a whole
- This process will repeat after the 5th step

Competition Schedule

- Competitions will be uploaded directly to the spreadsheet by the end of the summer and communicated via the gym wide band group.
- The competition schedule is subject to change if need be.
- All competitions (including end of the season events) are mandatory for all athletes unless there it is an excused absence. Excused absences include funerals, weddings, and school activities that are a GRADE and cannot be made up (documentation will need to be provided by the school). Injuries are not approved absences. If an athlete is injured, he/she is still required to attend the competition to support even if he/she cannot compete. Illness will be handled on a case-by-case basis. School breaks that are not on our calendar are not approved and will be considered an unexcused absence.
- All meet times, performance times, awards times, and mandatory teams to watch for each showcase/competition will be added/updated directly to the spreadsheet.
- Unexcused Absence - \$150 fee billed to card saved on Amilia account

Stunt Camp, Routine Blocking, and Choreography

- **All these dates are MANDATORY.**
- Missing any of these dates could have an impact on an athlete's placement in the routine and team.

Gym Closures

- When the gym is closed, there will not be any classes or team practices. Clinics, camps, and privates may vary during regular gym closures.
- The safety of our BA family is our TOP PRIORITY. In the event there are extreme weather conditions where it is not safe for our athletes to attend practice, the gym will be closed. Any closures and updates will be communicated via the gym wide band group and updated directly on the spreadsheet.

Other

- First and last day of monthly recreational weekly classes will be indicated on the spreadsheet. These are not mandatory, but HIGHLY RECOMMENDED. This is separate from weekly team tumble class and are an additional fee.
- Tumbling and stunt clinics will be held tentatively every other month. These are not mandatory, but HIGHLY RECOMMENDED.
- Summer Camp and Spring Break Camp are held during Duval County's breaks. These are not mandatory, but HIGHLY RECOMMENDED.
- Events hosted by booster club (gym wide beach bash, boo bash, banquet, etc.) will be uploaded directly to the spreadsheet. These are not mandatory, but HIGHLY RECOMMENDED.

Other Sports

We support *football* cheer and will excuse most absences related to games unless they interfere with choreography or competitions. If you choose to participate in competitive school cheer, our competitive

schedule must take precedence. If there are conflicts, you must make arrangements with your school coach to be excused from the school event. We will not excuse absences related to winter and spring sports.

Communication

We know that all-star cheerleading is a huge commitment which is why we try to alleviate any stresses we can by providing effective and timely communication. See the guide below to see important communication details. All families will be required to join the Gym Wide Band Group AND their Team Band Group. These links will be provided in your team placement email. Team moms will also be required to join the Team Mom Band Group.

What will be communicated in the Gym Wide Band Group?

- Practice and Competition Schedule
- Practice Wear and Uniform Sizing Details
- Upcoming Classes, Clinics, and Privates
- Gym Closures
- Pro Shop Updates
- Other Important Gym Updates

What will be communicated in your Team’s Band Group?

- Changes to respective team’s Regular Practice and/or Competition Schedule
- Themed practice
- Team Bonding(s)
- Other Important Team Updates
